

Implementing FOOD 2030 to future proof Europe’s food systems through Research and Innovation

FIT4FOOD2030: practical tools and solutions for responsible research and innovation for food system transformation.

Stream 1
Understanding food system transformation

Stream 2
Engaging stakeholders for food system transformation

#FIT4FOOD2030
#FOOD2030EU
@SciFoodHealth

24th and 25th
November
10:00 – 13:00

DAY ONE 24th November 2020

10:00 **Welcome**
10:10 Prof. Jacqueline Broerse
Project Coordinator, FIT4FOOD2030, Vrije Universiteit Amsterdam

10:10 **Keynote Presentation**
10:40 John Bell
Director Healthy Planet, DG Research and Innovation, European Commission

10:40 **Responsible research & innovation and the systems approach in food systems transformation**
11:15 Prof. Jacqueline Broerse
Project Coordinator, FIT4FOOD2030, Vrije Universiteit Amsterdam

The FIT4FOOD2030 Approach
Barbara Regeer
Associate Professor, Vrije Universiteit Amsterdam

11:15 **Virtual break**
11:25

Stream 1

Session 1
11:25
12:10
Food trends, scenarios and policies: R&I for sustainable EU food systems

Beatrix Wepner
Scientist, Centre for Innovation Systems & Policy, Austrian Institute of Technology

Chiara Pontillo
Research Manager, Life Sciences & Bioeconomy Unit

Thom Achterbosch
Senior Researcher, Wageningen University & Research

Stream 2

Connecting local and national ideas on R&I to European and international organisations

Prof. Maggie Gill
University of Aberdeen, chair of the FIT4FOOD2030 EU Think Tank

Panel with EU Think Tank members:

Gerda Verburg
UN's Assistant Secretary-General and Coordinator of the Scaling Up Nutrition (SUN) Movement

Mirjana Gurinovic
Scientific Research Advisor, FAO Nutrition consultant, research team leader at the CENM, University of Belgrade

Prof. Tim Lang
Professor of Food Policy, City, University of London

12:10 **Conference day two teaser**
12:20 Prof. Jacqueline Broerse
Project Coordinator, FIT4FOOD2030, Vrije Universiteit Amsterdam

Meet the experts networking sessions

● **Stef Bronzwaer**
Research Coordinator at EFSA
&
Veronica Maria Teresa Lattanzio
Senior Researcher at ISPA, CNR, Italy

Building together our food safety systems of the future...

● **Karen Fabbri,**
Deputy Head of Unit Bioeconomy and Food Systems, Healthy Planet Directorate, DG Research and Innovation, European Commission

The Food 2030 pathways for action: R&I policy for sustainable, healthy and inclusive food systems

● **Vicente C. Domingo González**
Director of World Sustainable Urban Food Centre of València (CEMAS)

Rethinking urban food systems. A window full of opportunities beyond proper nutrition

● **Tatiana Tallarico**
Policy officer in the Bioeconomy and Food Systems unit, Healthy Planet Directorate, DG Research and Innovation, European Commission

How can urban food systems be transformed with R&I and can we effectively fight food waste?

● **Jef Leroy**
Senior Research Fellow, IFPRI

Food systems and the urban poor in low-income countries

● **Carola Fabi**
Senior Statistician, FAO Statistics Division

FAO's Data Lab for food systems

DAY TWO 25th November 2020

10:00 **Welcome “back” to FIT4FOOD2030**
10:10 Prof. Jacqueline Broerse
Project Coordinator, FIT4FOOD2030, Vrije Universiteit Amsterdam

Stream 1

Session 2
10:10
10:55
Roadmaps for the future R&I breakthroughs of the food system

Jonas Lazaro-Mojica *Manager Food Policy, Science and R&D, ETP ‘Food for Life’ Secretariat, FoodDrinkEurope*

Hugo de Vries
Research Director, Science Direction Food and Bioeconomy, French National Institute for Agricultural, Food and Environmental Research (INRAE), President of the European Federation of Food Science and Technology (EFFoST)

Stream 2

Working for change at the level of the city: exploring the City Lab engagement model

Cristina Paca
Project Manager, Ecsite, the European network of Science centres and museum

10:55 **Virtual break**
11:05

Stream 1

Session 3
11:05
11:50
Bridging policy, research and action: An in-depth analysis of the Food2030 pathways for food systems transformation

Tommaso Emiliani
Project Manager, EIT Food

Maarten van der Kamp
Director of the Education Functional Area, EIT Food

Stream 2

The role of R&I Policy Labs in boosting food system transformation

Chrissie Brierley
Deputy coordinator JPH healthy Diet For a Healthy Life, ZonMw

Jolien Wenink
Senior Policy Officer & Coordinator Joint Programming Initiative A Healthy Diet for a Healthy Life (JPI HDHL)

11:50 **Keynote Presentation**
12:20 **Bridge builders, knowledge brokers and cross-pollinators: why transdisciplinarity matters in the transition to healthy, fair and sustainable food systems**
Afton Halloran
Independent Consultant, Sustainable Food Systems Transition

12:20 **Sustainable Food Systems Network and the way forward**
12:35 Raymond Gemen
Senior Manager – Food & Health Science | Collaborations Coordination, European Food Information Council (EUFIC)
Prof. Jacqueline Broerse
Project Coordinator, FIT4FOOD2030, Vrije Universiteit Amsterdam

Meet the experts networking sessions

● **Rosina Malagrida**
Barcelona City Lab Research Institute IrsiCaixa
&
Marina Pino Cebrián
Barcelona City Lab Research Institute IrsiCaixa

Promoting systemic innovation at collective level

● **Diana Szakál**
Budapest Food City Lab, ESSRG

How to support citizens in developing their Food Systems Thinking skills and competencies?

● **Tessa Avermaete**
Chair of the Food and Farming Advisory Board of the City of Leuven

Food connects

● **Afton Halloran**
Independent Consultant in Sustainable Food Systems Transitions

21st century skills and capacities needed for food systems transformation

● **Linda Kristin Markussen**
The Research Council of Norway, Norwegian Policy Lab
&
Trond Einar Pedersen
The Research Council of Norway, Norwegian Policy Lab

Optimizing national R&I policies for impact on the food system – learnings from a FIT4FOOD2030 policy lab
